### **About Aveanna Healthcare**

Aveanna Healthcare is headquartered in Atlanta, Georgia and has locations in 34 states providing a broad range of pediatric and adult healthcare services including nursing, rehabilitation services, occupational nursing in schools, therapy services, day treatment centers for medically fragile and chronically ill children and adults, home health and hospice services, as well as delivery of enteral nutrition and other products to patients. The Company also provides case management services in order to assist families and patients by coordinating the provision of services between insurers or other payers, physicians, hospitals, and other healthcare providers. In addition, the Company provides respite healthcare services, which are temporary care provider services provided in relief of the patient's normal caregiver. The Company's services are designed to provide a high quality, lower cost alternative to prolonged hospitalization. For more information, please visit [www.aveanna.com](http://www.aveanna.com).
